

SCHOOLWEAR CATALOGUE

WELCOME TO THE SCHOOLWEAR CATALOGUE

**CHANCES ARE YOUR STRONGEST MEMORIES
AREN'T ABOUT THE STITCHING OR THE
FABRIC BUT ABOUT HOW THAT UNIFORM
MADE YOU FEEL.**

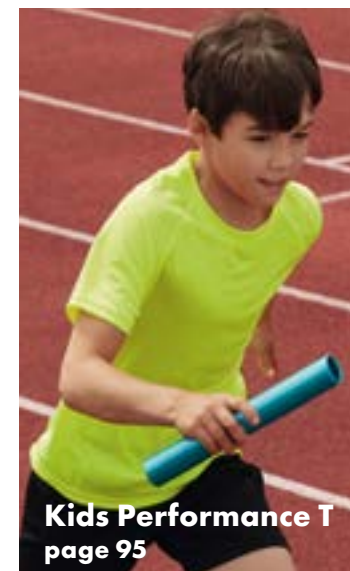

School days are a formative period in a young person's life. A good uniform can help children hold their heads high, while a low-quality, ill-fitting one can damage their confidence and happiness at the most sensitive time. Although we ship to more than 1000 schoolwear retailers per year throughout the UK, Europe and even Africa, we are at heart a family business with family values at the core of everything we do. So when it comes to school clothes, we strongly believe that we owe it to our kids to get it right.

That's why for us the perfect uniform is more than the sum of its parts. It's not about high quality fabrics, neat workmanship or durable quality. It's about giving young people a sense of belonging, instilling in them a sense of real pride in representing something greater than themselves and boosting their self-esteem through comfort and a smart appearance
